

U.S. MERIT SYSTEMS PROTECTION BOARD

Case Report for May 22, 2015

The U.S. Court of Appeals for the Federal Circuit issued the following nonprecedential decision this week:

Petitioner: Angela D. McCurry

Respondent: Department of Justice

Tribunal: U.S. Court of Appeals for the Federal Circuit

Case Numbers: [2014-3214](#)

MSPB Docket No. AT-4324-13-0506-I-1

Issuance Date: May 15, 2015

Holding: The Court affirmed the Board's final decision denying the petitioner's request for corrective action under USERRA because the administrative judge sufficiently notified the petitioner of her burdens of proof and correctly held that the Board did not have jurisdiction over her non-USERRA prohibited personnel practice claims.

- **The MSPB did not issue any precedential decisions this week**
